

# Welcome to Art 2020

Teacher: Mrs. Wagstaff

Students from Years 1-6 visit the Art room each week where they engage in fun and creative activities which are specifically designed by our Art Specialist for each age group.

On this page you will find a taste of the wonderful work that is produced in our room, as well as the rules that we all adhere to. Enjoy!

## BE AN ARTIST

**A**

Art materials stay in our art making space

**R**

Respect the materials, your work and everyone's ideas

**T**

Talk about your ideas, they are important!

**I**

Imagine, experiment, don't be afraid to make mistakes

**S**

Share and be kind - everyone is trying their best

**T**

Tidy up your art making space once you're done

At the start of the year, students are introduced to the **7 Art Elements**;

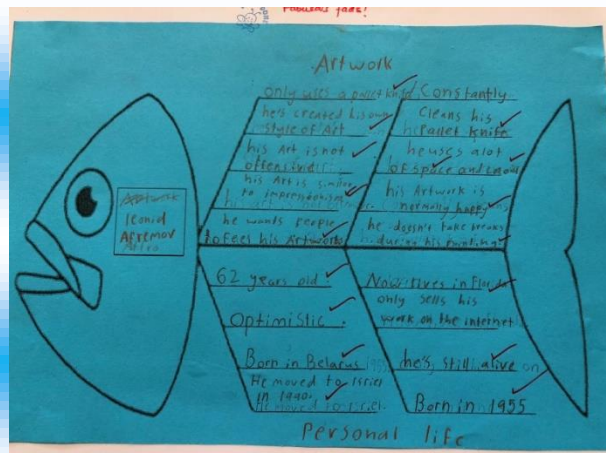

**Line**, **Texture**, **Colour**, **Value**, **Shape**, **Space** and **Form**.

Here are some work samples that the students created to demonstrate their understanding of the Elements.

Throughout the year, students also study a number of Artists and acquire knowledge about the art style as well as personal facts relating to the artist. Instructional Strategies and Tactics are used as a teaching and learning tool to acquire such understandings.

We all look forward, with anticipation, as to what the rest of the year may bring.
