

Year 2

Teachers: Mr Mercer, Miss Mott, Mrs Potts & Ms Ausling

Hello and Welcome to Year 2!

The Year 2's are excited to be back at school ready for an exciting new year with their teachers and friends. We have been busily setting up group norms and class rulers to ensure that we have a positive and safe learning environment.

We have an open classroom environment, which allows us to meet with all our peers and then split off into Literacy and Numeracy groups or specialist classes. We meet back in the afternoon to talk about our day and hand out any important notes or messages.

This year, the Year 2's will continue to learn about new cultures, customs and traditions around the world. As part of the Mandarin program, we will continue to learn about China and how to speak the language with our LOTE specialist Mrs Croker.

The Year 2's are eager to use the IWBs and iPads during the year as well as learning how to use various different robotics equipment. This year we will be working hard on our typing skills!

At Two Rocks Primary, there are lots of great events we look forward to during the year including; Sports Carnival, Book Week Parade, Swimming Lessons and Cross Country just to name a few!

The Year 2's are looking forward to having a fantastic year in Year 2 MeMoPo at Two Rocks Primary School by learning a variety of new concepts as well as having lots of fun with our teachers and friends.
