

Year 2

We have been learning to write information reports. Our teachers are blown away with how we have been able to change key words into sentences and then use subheadings to sort our information.

At the moment we are really enjoying using World Books to research different animals to help us to gather information for our information reports.

We were also lucky enough to have an AFL specialist come to the school to teach us how to kick and handball a football.

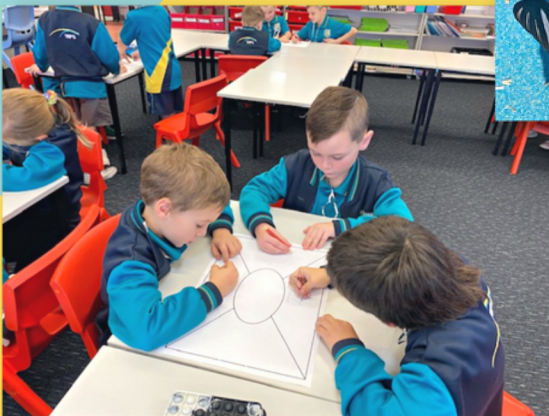

Australian Blackwood

This term has flown by and we can't believe it is nearly the middle of the year!

In Literacy we have started looking at the writing genre of 'Procedures' and are enjoying writing our own procedures. We are looking forward to writing a procedure for making fairy bread and following each other's instructions to ensure we have included all the steps!

Our problem solving skills are improving during Mathematics and we have been practising different strategies for solving addition and subtraction stories. We have been learning which words give us a clue about the strategy needed to solve the problem.

We enjoyed learning about Emergency's during our visit from Constable Care and learnt how to identify an emergency and what numbers to ring when we need help.

Pre Primary

The Pre-Primaries have had a wonderful Term 2 and we have learnt so many fun things.

In Literacy we have enjoyed learning about Cause and Effect and loved reading about Sneezy the Snowman and Click Clack Moo! We are getting really good at our writing and have started to create our own sentences using capital letters, full stops and adjectives.

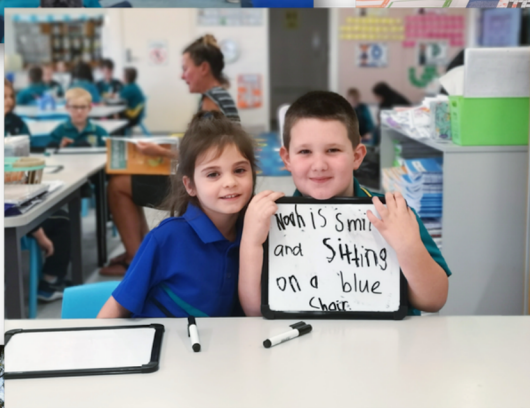

We have also been using our VCOP and trying to add connectives into our sentences.

We have finished our unit of Science and are now extremely excited to create our sail boats in STEM. In digital Technologies we have consolidated our learning on Hardware and Software and are now working on how we can be safe when using the internet. We know that we do not give out our name, address and school and always ask an adult if we need help.

We have continued with our learning of Bush Tucker and know the names of many Bush Tucker plants – Pig Face, Finger Limes and Warrigal Greens.

Australian Blackwood

Australian Blackwood

Kinder Garten

We have been having so much fun these past weeks learning many new things!

We learnt all about safe and unsafe secrets with Constable Care and we all very much enjoyed the puppet show.

We have been improving our formation of numbers and have shown our teachers how clever we are at identifying colours!

We have explored Australian Animals and loved creating our very own dingo dot painting for the 'd' sound.

Transition

Our Transition students have settled in nicely this term and have enjoyed getting to know their teachers and peers.

We have ordered some new resources and the children have loved exploring them. They have particularly enjoyed playing with our magnetic tiles, making tall towers and castles.

Special Announcement

Madison Selves

We are proud to introduce an amazingly talented young achiever in our Two Rocks family who have been selected by Calisthenics Association of Western Australia (CAWA) to be part of an elite calisthenics state team.

Madison Selves is one of the 22 girls in the Sub Junior State Team (7-10 years old), part of a total team of 72 girls that will be representing Western Australia in Australian Calisthenic Federation's Livestream National Championship which will be held in June 2022.

Madison has dedicated herself to hours of training on the artistic sport and she has shown a definite courage and strive doing what she loves with an aim to success.

We look forward to provide Madison with the support she needs and we wish her the very best in the national championship.

Congratulation Madison and keep up being the remarkable person you are.

You're a Star!

Madison Selves

roxybeachlover24@yahoo.com.au

Dear Mrs Wildish

CALISTHENICS ASSOCIATION OF WA STATE TEAM 2022 SELECTION

I am pleased to advise **Madison Selves** has been selected in the Calisthenics Association of Western Australia's (CAWA) State Team, competing in the Australian Calisthenic Federation's Livestreamed National Championships being held in June 2022. This is a wonderful achievement as being a State Team representative is something many strive for but only a few are chosen.

Our Association has a proud and successful history of representing Western Australia at a national level in all competing sections. Madison is one of 22 girls in the Sub Junior State Team aged 7-10 years, as part of a total team of 73 girls representing Western Australia. These girls are at the elite level of this artistic sport and have committed themselves to many hours of training which shows their dedication to the team. Prior to the National competition in June, the girls will perform in Perth at the CAWA State Team Spectacular Concert.

As the time for the National Championships approaches, the CAWA State Team would be most appreciative if Madison is able to be excused from any high risk sporting or similar activities that could place her at risk of injury or compromise their chance of competing.

We hope your school community is able to provide encouragement and support to Madison and recognise her success in being selected into the WA State Team.

Yours sincerely

Julie Scherini
