Principal's Pen

As we are at the end of Term Three I would like to thank everyone for their contributions to Two Rocks Primary School. We have had a great term, with First Aid workshops for all students. Our Year Five students had their overnight camp in Fremantle and visited some great places including Fremantle Prison and the Ship Wreck Museum.

We also held a Disco run by our Year Six teachers. The students all had a great time and we raised \$3950 for Graduation and other Year Six activities! We held a Father's Day stall run by Mrs Mettimano. The Father's Day stall sold an amazing \$2157 worth of items!

We held the Faction Carnival races on the Friday as planned, though the Team Games Carnival was postponed until Monday and the K/PP Carnival, postponed until the Tuesday. We all however, had a great time! A big thank you to Mr Schweda for organising everything for us and the early childhood teachers for organising the K/PP Carnival. A big thankyou also to our P&C reps Tiana, Carmen and Elisia and the host of volunteers who provided refreshments on all three days.

Some of our Year Six students went on a transition to high School at Yanchep Secondary College. This gives our students a valuable insight into life in high school. Our students all did very well in the Chinese Writing Competition. We had two stand out winners in Adessa from Year Five and Olivia in Year Four. Mr Schweda took our team to the Interschool Carnival at Splendid Park. Our students did us proud winning the Handicap Trophy and coming second to Yanchep Beach Primary School for the overall trophy! Our Talk Up Assembly on Monday was very special. The winners from each year level presented their talk for us and their families. Our students were amazing, a real credit to their families. Mega Reward this term was a movie on our big screen and fresh popcorn. Our students dressed up in their pyjamas and I believe all had a great time. A big thank you to Mr Mercer and Mrs Croker for organising everything for us.

A concerned citizen is worried about our student's safety on the road, particularly near main roads. Can I therefore please ask parents/carers to remind your children during the holidays to be careful and not to play too close to the main road.

Next term we have a Book Fair in week four, along with swimming lessons, which for the first time since 2012, we have managed to secure in Term Four when the weather is warmer! Details have already been sent home. Atlantis Before and After School Care will be operating a vacation care program from the Undercover Area, under the leadership of Stacey Moltzen for the school holidays. Please contact Stacey for more information on 0437 771 194.

Have a wonderful, safe holidays and we will see you all back at school on Monday 11 October.

Elizabeth Wildish
Principal

HAPPY HOLIDAYS

STAY SAFE,
EVERYONE!

MANDARIN MANNERS

AUSSIES OF THE MONTH

actbelongcommit.org.au

Stay physically, socially, spiritually and mentally active. Walk or ride to school, play outside with some friends, read a book or complete a puzzle!

Belonging to a club is not only fun, it's good for you! Join a netball club or footy team, join a band or get involved in community events.

Learn to play a musical instrument, offer to help a younger sibling with their homework or sign-up for a fun-run. Committing means putting a little more effort into things you do.

What's Happening

Pre-Primary

The Pre-Primary students have been busy getting ready for the sports carnival. We have been practicing our team games and relays. On the day we had beautiful weather and enjoyed all the games and races, we are all definitely ready for next year's sports carnival with the big school.

Year One

The Year One students have been super busy! We had our faction carnivals and performed our Assembly. It was an exciting time to share everything we know about the new Bush Tucker Garden. We are so proud of our performance! In Science we have finished learning about day/night and the different types of clouds. In HASS we focused on our environment around us and our community.

Year Two

It's the last week of Term Three! We have a fun week planned with Talk Up Assembly, Mega reward and a Taco Party to finish off our procedure writing. We have been challenged in Maths with number lines and bridging strategies. We have concluded our unit about the change of technology throughout history in HASS and we have commenced our STEM project for Science! We are looking forward to a well-deserved break so we can come into Term Four ready to go and complete our Year Two journey!

Year Three

This fortnight, we have been writing narratives about aliens landing in our backyards! Our stories are very exciting and include lots of epic fight scenes. In Science, we have been learning about space and how day and night occur. We are currently creating posters to show all of our knowledge. In HASS, we have designed our own Australian flags. For one of our wet weather activities, we drew Minecraft self portraits that our Teachers think look amazing!

Year Four

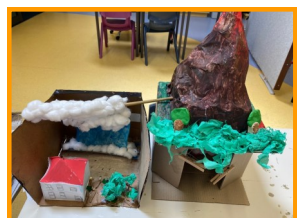

What an amazing term we have had in Year Four. In Numeracy, we have persisted in learning all our multiplication sums to help solve irregular area, multiples and factors and making factor trees. We also have been investigating odd and even numbers. In Literacy, we have been creative with our adjectives in describing a Mini Beast and trying hard to persuade our Teachers to agree with our arguments. During HASS, we have been investigating First Fleet and learning about life in the 17th Century Britain.

Year Five

The Year Five students have been using MAB blocks to consolidate their learning of division with two, three and four digit numbers. In HASS the students have learnt how to apply an Instructional Intelligence Strategy called Academic Controversy, which resulted in some excellent ideas and thought processes!

Year Six

In Maths, the Year Six students have been learning about volume and how to use a formula to calculate the volume of rectangular based prisms. We really enjoyed our lesson outside using the blocks to build prisms and find the volume. In Literacy, we have been writing balanced discussions about different topics. For our final assessment piece, we have chosen different topics to write and research our balanced discussions on. This term in Science, we have been learning about

natural disasters and have completed a research project on a chosen natural disaster. In groups, we built a model of our natural disaster and presented a speech using the information we collected. We had a lot of fun building our models and planning our presentations!

Around the School

Tournament of the Minds

The Competition Crushers and WIGSMAYO did a fantastic job representing Two Rocks Primary School on Saturday 29 August at Edith Cowen University. They competed against 118 other schools! Their excellent teamwork, communication and problem skills were tested to the limit! Well done to everyone who participated!

Talk Up 2021

This term our amazing students participated in the annual Talk Up competition. Their teachers and peers were super impressed by the efforts of our Year One to Six students. The competition covered varied topics including events, themselves, countries, explorers, space and political figures. It was very difficult to choose our winners and finalists because everyone did a superb job of planning, writing and presenting their speeches. Well done to all of our students who participated, great job!

News from the Chinese Classroom

A few students from Year Three to Year Six who excelled in writing Chinese characters were invited to participate in the annual state Chinese Writing Competition held by the Chinese Language Teachers' Association of Western Australia (CLTAWA). Students are required to produce a small piece of writing in Chinese accompanied by illustrations about any aspect of their own world. Entries were judged on content, handwriting and presentation of work. Participation is voluntary and work is required to be done independently outside of school hours. Mrs Croker assisted participating students with translating and expressing their thoughts within the set word counts. Four entries were submitted for the competition and a huge congratulations go to Adessa in Year Five and Olivia D in Year Four for receiving a certificate of excellence and a second place in their categories respectively. This is the best result in Chinese Writing Competitions for Two Rocks Primary School ever!

Faction Carnival 2021

Congratulations to all students who participated in our recent Faction Carnivals. A special mention goes to the following students for their outstanding efforts in securing a Champion or Runner Up Champion trophy!

<i>Year level</i>	<i>Champion</i>	<i>Runner Up</i>
1	Hamish	Sonny
	Yianna	Nell
2	Jacob	Lyla
	Levi	India
3	Joel	Summer
	Flynn	Milli
4	Keanoe	Ashleigh
	Dominic	Olivia
5	Locky	Misha
	Zane	Amethyst
6	Grayson	Akeira
	Brodie	Lily

two rocks yanchep emergency scouts learning life skills

At Scouts, young boys and girls from 10–14 can take part in heaps of activities that will teach the important life skills – while having fun and keeping active!

Kids will make new friends and take part in exciting group activities – camping, bushwalking, water activities, cooking, bushcraft and lots more.

There is no better way for a child to learn:

- ✓ Bush Skills
- ✓ Leadership Skills
- ✓ Life Skills

Scouts is family friendly – parents and siblings are encouraged to explore the world of scouts!

discover scouts

At our weekly meetings we build up skill levels, play games, try new challenges and plan weekend adventures. We also learn valuable leadership skills and responsibility.

Each Scout has the opportunity to achieve the Australian Scout Medallion before moving to Venturer Scouts.

Want to try Scouting? We meet on Wednesday nights at Two Rocks Fire Station 5 Caraway Loop Two Rocks from 19:00 to 21:00
phone 0488 575 256 – email hathi@inet.net.au – find us on facebook
