

Year 3

Teachers: Mr Mercer, Miss Mott, Ms Ausling & Miss Hedge

Hello and Welcome to Year 3!

The Year 3's jumped straight into 2023 by working together to set group norms and setting class rules to ensure we have a fantastic year.

We are very excited that we will be continuing to use the IWBs and iPads during the year as well as using more of the robotics equipment.

This year, we will be learning about many new cultures and learning about customs and traditions all over the world. As part of the Mandarin program, we will be learning about China with Mrs Croker, our LOTE Specialist for the year.

The Stephanie Alexander Program run at Two Rocks Primary, enables us to develop our gardening and cooking skills by giving us the opportunity to grow, harvest and cook our own food. We love going into the garden and helping weed, water and fertilise the plants in the Bush Tucker Garden.

We have lots of great events to look forward to this year including; Sports Carnival, Book Week Parade, Swimming Lessons and Cross Country just to name a few!

We are looking forward to having a fantastic year in 3MeMo at Two Rocks Primary School by learning a variety of new concepts as well as having lots of fun with our teachers and friends.
