

Year 5

Teachers: Miss Canning, Miss Wildish & Mr Schweda

Assisted by: Mrs Baldwin-Jones

Welcome to Year 5!

This is our second year of our 3 year journey together as a cohort. We have split into two groups for our Specialist Lessons, The Colossal Comets and Mighty Meteorites. These names were chosen as space is one of our Science topics this year!

Our Kitchen Garden program continues this year and will begin with students learning all of the key skills required for success in the kitchen, including equipment names and uses.

Students will have Mrs Croker for Chinese. They will have Mrs

King for Music, Mrs Wagstaff for Art and Mr Schweda for Sport and HASS.

The Year Fives will be using iPads for their English, HASS, Science and Integrated Studies. Students will be learning basic coding and use this knowledge to create programs.

Mathematics is led by Miss Canning and incorporates our whole school programs. Warm Ups and explicit teaching along with daily recall of facts.

English is led by Miss Wildish and includes programs such as English Stars, English Skills, VCOP, Novel Studies, Writing Time, Soundwaves Spelling.

This year promises to be an amazing year, particularly with our Year 5 Camp coming up in Term 3. There is also a number of other activities such as swimming lessons, Carnivals, excursions, incursions and special events to look forward to.

a

The Year Five class have set goals for the year and plan on working hard to achieve them.

TEAMWORK MAKES THE DREAM WORK!
