

Year One

Teachers: Mrs Dodds, Miss Rooney, Mrs Bidefeld and Miss Kerp

Hello and Welcome to Year One!

The Year One's are excited to be part of the 'big school!'! We have settled back in really well and are now starting to get the hang of our new programs and routines.

We have an open plan classroom environment, which allows us to meet with all of our peers and then split off into Literacy and Numeracy groups. We are looking forward to improving our VCOP skills, learning more vocabulary, furthering our IT skills and we can't wait to work on our fun,

challenging STEM projects at the end

We can't wait to visit our Bush Tucker garden and Yarning Circle and learn more about Aboriginal culture. We are so excited to learn more about the plants and can't wait to see what else we can grow and cook!

The Year One's are excited to have a fun, hands on Science table which changes termly. We can't wait to welcome our new class pet in term one!

At Two Rocks Primary, there are lots of great events to look forward to this year including; Sports Carnival, Book Week Parade and swimming Lessons—just to name a few!

The Year One's are looking forward to having a fantastic year at Two Rocks Primary School by learning a variety of new concepts as well as having lots of fun with our teachers and friends.
